

to § 552.109 concerning joint employment and third-party employers. After review of the comments received to date, the Department has concluded that it is appropriate to continue the rulemaking on the proposed revision to § 552.109. With respect to the updating and technical changes that were proposed in the December 1993 notice, they are adopted in a final rule published elsewhere in this issue. This separate document also revises Regulations, 29 CFR part 552, to incorporate changes necessitated by amendments to Title II of the Social Security Act which were enacted October 22, 1994, as Public Law 103-387 (Social Security Domestic Employment Reform Act).

Based on the comments received to date, the Department wishes to consider the implications of its proposed revision on situations where State and local governments provide companion services to the elderly or infirm, as well as situations where the companion is employed by a family member. The Department is considering revising the proposal to allow the exemption to apply to employment, either jointly with a third party agency or otherwise, by a government agency or family member, where the government agency or family member is acting on behalf of an elderly or infirm person who is unable to act on his or her own behalf. The Department is therefore reopening the comment period in order to receive additional comments relating to this proposal.

The Department is particularly interested in receiving information on the companion services provided by State and local governments, and the relationship between the government and the elderly or infirm person to whom the service is provided.

Signed at Washington, DC, on this 31st day of August 1995.

Maria Echaveste,

Administrator, Wage and Hour Division.

As a convenience to the readers of this document, the proposed revisions to § 552.109 which were published in the **Federal Register** document of December 30, 1993 (53 FR 69310), are republished as follows:

PART 552—APPLICATION OF THE FAIR LABOR STANDARDS ACT TO DOMESTIC SERVICE

7. In § 552.109, paragraphs (a) and (c) are proposed to be revised to read as follows:

§ 552.109 Third party employment.

(a) Employees who are engaged in providing companionship services, as

defined in § 552.6, and who are employed by an employer or agency other than the family or household using their services, are exempt from the Act's minimum wage and overtime pay requirements by virtue of section 13(a)(15), provided that they are also employed by the person in whose home the services are provided, *i.e.*, a joint employment relationship must exist (see 29 CFR Part 791). The assignment of such an employee to more than one household or family in the same workweek would not defeat the exemption for that workweek, provided that the services rendered during each assignment come within the definition of companionship services.

(b) * * *

(c) Live-in domestic service employees who are employed by an employer or agency other than the family or household using their services are exempt from the Act's overtime requirements by virtue of section 13(b)(21), provided that they are also employed by the person in whose home the services are provided, *i.e.*, a joint employment relationship must exist. This exemption, however, will not apply where the employee works only temporarily for any one family or household, since the employee would not be "residing" on the premises of such family or household.

National Historical Publications and Records Commission; Grant Program Procedures

AGENCY: National Archives and Records Administration.

ACTION: Notice of proposed rulemaking.

SUMMARY: The National Archives and Records Administration (NARA) proposes to update and clarify current regulations in 36 CFR Part 1206 relating to the National Historical Publications and Records Commission (NHPRC) grant program. In particular, language has been revised to reflect an internal reorganization; to address revisions to the state historical records coordinator and advisory board program; to include mention of archival administration and documentary editing fellowships for individuals; to include prior approval requirements for changes in the grant

project; to cite Office of Management and Budget Circulars A-110, A-128 and A-133, which stipulate requirements for grant administration and audit; and to make grantees aware of the lobbying certification requirement for grants of \$100,000 or more. The rule will affect NHPRC applicants and grantees.

DATES: Comments must be received by November 7, 1995.

ADDRESSES: Comments should be sent to Director, Policy and Planning Division (PIRM-POL), National Archives and Records Administration, 8601 Adelphi Rd., College Park, MD 20740-6001.

FOR FURTHER INFORMATION CONTACT: Mary Ann Hadyka or Nancy Allard at 301-713-6730.

SUPPLEMENTARY INFORMATION:

Background

The purpose of the National Historical Publications and Records Commission (NHPRC) is to promote the preservation and use of historically significant documents. The Archivist of the United States awards grants recommended by the NHPRC. Publications grants are made for the preparation (compiling, editing and publishing) of printed, microform, and electronic publications. Subvention grants are made to nonprofit presses to help defray publication costs of Commission-supported editions. Records grants are made for activities relating to the preservation, arrangement and description of historical records. Educational programs sponsored by the NHPRC include an institute to provide training in documentary editing and fellowships in the fields of documentary editing and archival administration. The Catalog of Federal Domestic Assistance (CFDA) number for this program is 89.003.

Provisions of the Proposed Rule

In 1991, the publications and records programs of the NHPRC were merged. The proposed rule updates program descriptions and procedures to reflect this internal reorganization. The NHPRC has also been working with the state historical records coordinators and advisory boards to revise their program sections and has made changes accordingly. In addition, we have added language to reflect current guidelines that stipulate prior approval requirements for changes in a grant project once an award has been made, and to mention specifically the archival administration and documentary editing fellowships.

The proposed rule also seeks to clarify Governmentwide requirements for applicants and grantees by including language that specifies the certification

regarding lobbying for grants of \$100,000 or more; adds a new section regarding audits, citing OMB Circulars A-128, "Audits of State and Local Governments," and A-133, "Audits of Institutions of Higher Education and Other Nonprofit Organizations"; and cites OMB Circular A-110, "Uniform Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations."

Finally, the proposed rule revises reporting requirements to reflect reductions in reporting frequency that are being made as part of the President's regulatory reform initiative.

The information collections contained in this proposed rule have been approved by the Office of Management and Budget under the Paperwork Reduction Act. This rule is not a significant regulatory action for purposes of Executive Order 12866 of September 30, 1993, and has not been reviewed by the Office of Management and Budget. As required by the Regulatory Flexibility Act, it is hereby certified that this rule will not have a significant impact on small entities.

7. Section 1206.12 is revised to read as follows:

§ 1206.12 Scope and purpose.

Publications projects are intended to ensure the dissemination and accessibility of documentary source material important to the study and understanding of U.S. history. § 1206.14 [Removed]

8. Section 1206.14 is removed.

9. Section 1206.16 is revised to read as follows:

§ 1206.16 Project requirements.

(a) Each publications project shall include either the papers of a U.S. leader in a significant phase of life in the United States or documents relating to some outstanding event or to some topic or theme of national significance in U.S. history. These projects shall consist of collecting, compiling, editing, and publishing, either selectively or comprehensively, the papers or documents. Publication may be in the form of printed, microform, or electronic editions. Electronic formats for publication of documentary sources will be considered only when suitable preservation of the data can be assured. Three copies of each book publication should be deposited with the National Historical Publications and Records Commission (NHPRC), Washington, DC 20408. These copies may be included as part of the five complimentary copies to be sent by presses receiving subvention grants.

(b) For microform projects, the grantee shall make positive prints and all finding aids available to institutions, scholars, or students through interlibrary loan and for purchase. Five complimentary copies of guides and indexes produced by the projects shall be sent to the Commission.

10. In § 1206.18, paragraphs (a) and (c) are revised to read as follows:

§ 1206.18 Subsidies for printing costs.

(a) The Commission will consider grant applications from university and other nonprofit presses for the subvention of part of the costs of manufacturing and disseminating volumes that have been formally endorsed by the Commission. Grants not exceeding \$10,000 per volume (\$3,000 for reprints) are awarded upon recommendation of the Commission to promote the availability of Commission-supported documentary editions.

* * * * *

(c) The Commission shall receive five complimentary copies of each published volume for which a subvention grant is made.

11. Section 1206.20 is revised to read as follows:

§ 1206.20 Microform publication standards.

Technical standards for NHPRC-sponsored microform projects are stated in the brochure "National Historical Publications and Records Commission: Microform Guidelines," which will be

supplied to applicants upon request and to grantee institutions at the time a grant is made for a microform project.

12. Section § 1206.30 is revised to read as follows:

§ 1206.30 General.

This subpart describes the scope, purpose, and operation of that part of the grant program relating to records projects. Grant application and administration procedures are given in subpart D of this part.

13. Section 1206.32 is revised to read as follows:

§ 1206.32 Scope and purpose.

Through its support for records projects, the National Historical Publications and Records Commission encourages a greater effort at all levels of government and by private organizations to preserve and make available for use those records, generated in every facet of life, that further an understanding and appreciation of U.S. history. In the public sector, these historical records document significant activities of State, county, municipal, and other units of government. In the private sector, historical records include manuscripts, personal papers, and family or corporate archives that are maintained by a variety of general repositories as well as materials in special collections relating to particular fields of study, including the arts, business, education, ethnic and minority groups, immigration, labor, politics, professional services, religion, science, urban affairs, and women. In addition to recommending the supporting of projects relating directly to a body of records, the Commission may also recommend support for projects to advance the state of the art, to promote cooperative efforts among institutions and organizations, and to improve the knowledge, performance, and professional skills of those who work with historical records.

§ 1206.34 [Removed]

14. Section 1206.34 is removed.

15. Section 1206.36 is revised to read as follows:

§ 1206.36 State historical records coordinator.

(a) The governor of each State desiring to participate fully in the program shall appoint a State historical records coordinator (coordinator), who shall be the full-time professional official in charge of the State archival program or agency. If the State has another state-funded historical agency or agencies, the official(s) in charge shall be a member of the State historical records advisory board (board). The coordinator

is appointed to a minimum four-year term, but may continue to serve until replaced by the governor or until resignation. The coordinator shall serve as chair of the board and shall be the central coordinating officer for the historical records grant program in the State. The person appointed will not be deemed to be an official or employee of the Federal Government and will receive no Federal compensation for such service. The pamphlet "Guidelines for State Historical Records Coordinators and State Historical Records Advisory Boards," which is available from the Commission and from State historical records coordinators, provides further information on the role of the coordinator.

(b) In the event of the resignation of the coordinator or other inability to serve, a deputy coordinator, if one has been designated, will serve as acting State coordinator until the governor makes an appointment. In the absence of a deputy coordinator, the NHPRC will recognize an acting coordinator, selected by the state board, who shall serve until the governor appoints a coordinator in order to conduct the necessary business of the board.

16. Section 1206.38 is revised to read as follows:

§ 1206.38 State historical records advisory board.

(a) Each State desiring to participate in the program shall define an appointment process and appoint a State historical records advisory board consisting of at least seven members, including the State historical records coordinator, who chairs the board. The coordinator shall provide the Commission with a description of the appointment process. A majority of the members shall have recognized experience in the administration of government records, historical records, or archives. The board should be as broadly representative as possible of the public and private archives, records offices, and research institutions and organizations in the State. Board members will not be deemed to be officials or employees of the Federal Government and will receive no Federal compensation for their service on the board. They are appointed for three years with the possibility of renewal; and preferably terms are staggered so that one-third of the board is newly appointed or reappointed each year. If the board is not established in State law, members' terms continue until replacements are appointed. The board may adopt standards for attendance and

may declare membership positions open if those standards are not met.

(b) The board is the central advisory body for historical records planning and for Commission-funded projects developed and carried out within the State. The board serves as a coordinating body to facilitate cooperation among historical records repositories and other information agencies within the state and as a state-level review body for grant proposals as defined in the Commission's guidelines. Specifically, the board may perform such duties as sponsoring and publishing surveys of the conditions and needs of historical records in the State; soliciting or developing proposals for projects to be carried out in the State with NHPRC grants; reviewing proposals by institutions in the State and making recommendations about these to the Commission; developing, revising, and submitting to the Commission State priorities for historical records projects following guidelines developed by the Commission; promoting an understanding of the role and value of historical records; acting in an advisory capacity to the state archives and other statewide archival or records agencies; and reviewing, through reports and otherwise, the operation and progress of projects in the State financed by NHPRC grants.

17. In § 1206.50, paragraph (c) is revised to read as follows:

§ 1206.50 Types of grants.

* * * * *

(c) *Matching grants.* An application for a matching grant should be made when an applicant has prospects of securing financial support from a third party or, in the case of a State or local government agency, new funds from the institution's own appropriation source are provided expressly for the project proposed in the application. Upon Commission approval of a matching grant request, the applicant shall present written documentation certifying that matching funds have been provided for the project by the non-Federal source. In the case of a State or local government agency, the matching requirement may also be met through matching funds from the State or local government, provided that it can be demonstrated to the Commission's satisfaction that the matching amount has been provided above and beyond funds previously allocated or planned for the agency's budget and that the funds are set aside exclusively to support the project proposed for an NHPRC grant. Applicants need not, however, have

money in hand to make a matching grant request; they need only assure the Commission that they have reasonable prospects of obtaining the needed amounts.

18. Section 1206.52 is revised to read as follows:

§ 1206.52 Grant limitations.

Grant limitations are described in the grant program guidelines pamphlet, available on request from the Commission.

19. Section 1206.54 is revised to read as follows:

§ 1206.54 Who may apply.

The Commission will consider applications from State and local government agencies, nonprofit organizations and institutions, Federally acknowledged or state-recognized Native American tribes or groups, and, under certain conditions, from individuals. Proposals for State projects falling under the Commission's goals, "To Assure the Preservation of the Nation's Documentary Heritage through State Collaborative Efforts" and "To Achieve Progress in the Preservation and Use of Original Source Material," as defined in the grant program guidelines, will be accepted only from applicants in States in which a State historical records coordinator and a State historical records advisory board are currently appointed. This requirement does not apply to regional or national projects.

20. Section 1206.56 is revised to read as follows:

§ 1206.56 When to apply.

Grant proposals are considered during Commission meetings held three times during the year. For current application deadlines contact the grant program staff or State historical records coordinators (for records grant proposals). Some State boards have established pre-submission review deadlines for records proposals; further information is available from State coordinators.

21. In § 1206.58, paragraphs (b), (c), and (d) are revised to read as follows:

§ 1206.58 How to apply.

* * * * *

(b) *Application forms.* Applicants for NHPRC grants shall use Standard Form 424, Application for Federal Assistance, and NA Form 17001, Budget Form (OMB Control Number 3095-0004). Applicants for subvention grants also submit the NHPRC subvention grant application (OMB Control Number 3095-0021), and applicants for archival

administration fellowship host institution grants submit a special application (OMB Control Number 3095-0015). Applicants for NHPRC-sponsored fellowships complete the appropriate fellowship application. Copies of these applications and forms are available from the Commission. Project proposals and related correspondence should be sent to the National Historical Publications and Records Commission (NHPRC), Washington, DC 20408.

(c) *Assurances and certifications.* All grant applications to the Commission must include the following assurances and certifications signed by an authorized representative of the applicant institution, or in the case of an individual applicant, by that individual: Standard Form 424B, Assurances: Non-Construction Programs; the Certification Regarding Debarment, Suspension, and Other Responsibility Matters specified in part 1209, appendix B; the Certification Regarding Drug-free Workplace Requirements specified in part 1209, appendix C, of this chapter; and, if the application requests more than \$100,000 in Federal funds, a signed Certification for Grants, Loans, or Cooperative Agreements in Excess of \$100,000 (certification regarding lobbying). Assurance and certification language is included in the program pamphlet.

(d) *Program guidelines pamphlet.* Supplementary information for applicants is contained in the pamphlet, "Program Guidelines: Applications and Grants," which is available from the Commission upon request. The pamphlet is also available from State historical records coordinators. This pamphlet includes copies of the application form and certifications, guidelines on the preparation of project budgets and program narrative statements, and other guidance on applying for and administering NHPRC grants. OMB Control Number 3095-0013 has been assigned to this information collection.

22. In § 1206.66, paragraphs (b) and (c) are revised to read as follows:

§ 1206.66 Review and evaluation of grant proposals.

* * * * *

(b) *Publications grant proposals.* The Commission staff reviews publications grant proposals for completeness, conformity with application requirements, and relevance to the objectives of the grant program. Proposals are sent to specialists in American history and documentary editing for review and recommendations. The

recommendations are considered by the full Commission at regular meetings.

(c) *Subvention grant applications.* The Commission staff reviews subvention grant applications to ensure their adherence to established technical standards for the production of printed volumes, particularly in the quality of paper and ink. Staff recommendations are considered by the full Commission at regular meetings.

23. Section 1206.68 is revised to read as follows:

§ 1206.68 Grant administration responsibilities.

Primary responsibility for the administration of grants is shared by the grantee institution and the project director designated by the institution. In the case of grants made to individuals, the individual named as project director has primary responsibility for the administration of the grant. Grants shall be administered in conformance with either OMB Circular A-110, "Uniform Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations" (available from the Commission office by writing to NHPRC, National Archives and Records Administration, Washington, DC 20408, or OMB by writing to the Executive Office of the President, Publications Service, 725 17th Street NW, Suite G2200, Washington, DC 20503) or, in the case of State and local governments, with the regulations in part 1207 of this chapter. All grants shall be in conformance with part 1209 of this chapter.

(a) *Changes in the grant project:*

(1) *Extension of the grant period.* Requests for extension of the grant period must be made before the end of the grant period and must be signed by the grantee institution's authorized representative as indicated on the grant application form (SF 424). No extensions will be allowed unless grantees are up-to-date in their submission of financial and narrative reports.

(2) *Rebudgeting.* To meet unanticipated program needs, grantees may adjust the amounts allocated to existing budget lines for both grant funds and cost sharing and may transfer grant funds among existing NHPRC-funded direct cost categories that appear in the final project budget approved by the Commission at the time of the grant award. Cost-sharing funds may also be shifted among existing cost-sharing categories. For grants where the NHPRC's award is less than \$100,000, grantees may make these transfers without NHPRC approval. When

Commission grant awards are for \$100,000 or more, grantees must obtain prior approval from the NHPRC when cumulative transfers among direct cost categories total more than 10 percent of the total project budget (i.e., grant funds plus other funds). In addition, the Program Director of the Commission may approve the use of NHPRC grant funds for new cost categories for which Commission funds were not provided in the final approved budget where such action seems appropriate for the fulfillment of the original purposes of the grant and where the amount of funds involved does not exceed 10 percent of the amount of the award or \$5,000, whichever is less. Requests to establish these new cost categories must be made in writing and signed by the grantee institution's authorized representative. Requests that exceed this limit are subject to approval by the full Commission.

(3) *Other changes requiring prior approval.* Prior written approval from the Commission must be obtained for financial or programmatic changes in all cases involving the following: revision of the scope or objectives of the project; change of the project director or other key project personnel who have been specifically named in the grant application or award or related correspondence; and, contracting out, subgranting, or otherwise obtaining the services of a third party to perform activities central to the purposes of the grant, unless specified in the grant proposal.

(b) *Submission of requests for changes.* All requests for approval of budget or programmatic changes must be submitted in the form of a letter signed by the grantee institution's authorized representative for the grant and addressed to the Program Director. A written response signed by the Program Director of the Commission will constitute approval for the changes.

24. Section 1206.78 is revised to read as follows:

§ 1206.78 Grant reports.

(a) Financial status reports and narrative progress reports are required for all grants. Standard Form 269, Financial Status Report, shall be used for all financial reports. The pamphlet, "Program Guidelines: Applications and Grants," which is provided to each grantee and is available from the Commission on request, specifies the content of the narrative progress reports.

(b) Financial reports are due annually 30 days after the end of each reporting period. Narrative progress reports are due 30 days after the end of each six-

month period. Final financial and narrative reports are due within 90 days after the expiration or termination of the grant period. Grants with a duration of six months or less require a final report only. Additional rules on financial and performance reports are found in OMB Circular A-110 and §§ 1207.40 and 1207.41 of this chapter, as appropriate.

25. Section 1206.79 is added to read as follows:

§ 1206.79 Audits.

Grantees are responsible for obtaining audits in accordance with either the Single Audit Act of 1984 (31 U.S.C. 7501-7), for which audit requirements have been set forth in Office of Management and Budget (OMB) Circular A-128, "Audits of State and Local Governments," or requirements established under OMB Circular A-133, "Audits of Institutions of Higher Education and Other Nonprofit Organizations," as appropriate. Copies are available from the Commission office or from OMB at the addresses given in § 1206.68 of this part. The grantee is responsible for ensuring that the NHPRC receives a copy of the audit report for any audit performed during the grant period or for three years thereafter. A reasonable portion of grant funds, as defined in the OMB Circular, may be used to comply with audit requirements. The Commission prefers that the grantee assume such costs as institutional cost sharing.

26. Section 1206.94 is revised to read as follows:

§ 1206.94 Compliance with Governmentwide requirements.

In addition to the grant application and grant administration requirements outlined in this part 1206, grantees are responsible for complying with applicable Governmentwide requirements contained in OMB Circular A-110 or part 1207 of this chapter, as appropriate, and part 1209 of this chapter.

Approval and Promulgation of Air Quality Implementation Plans; Pennsylvania; Approval of Source-Specific VOC and NO_x RACT and Synthetic Minor Permit Conditions

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA proposes to approve the State Implementation Plan (SIP) revision submitted by the Commonwealth of Pennsylvania. This revision establishes and requires reasonably available control technology (RACT) on eleven major sources and establishes permit conditions to limit one source's emissions to below major source levels. In the Final Rules section of this **Federal Register**, EPA is approving the State's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial SIP revision and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule and the technical support document. If no adverse comments are received in response to this proposed rule, no further activity is contemplated in relation to this rule. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period on this action. Any parties interested in commenting on this action should do so at this time.

DATES: Comments must be received in writing by October 10, 1995.

ADDRESSES: Written comments on this action should be addressed to Marcia L. Spink, Associate Director, Air Programs, Mailcode 3AT00, U.S. Environmental Protection Agency, Region III, 841 Chestnut Building, Philadelphia, Pennsylvania 19107.
